

 **Homes** with a little more...

TESTS WE HAVE CARRIED OUT IN OUR PROJECTS

- **Water test**
- **Soil test**
- **Structural Design Stability**
- **Earth Quake Resistance Design**
- **Concrete Quality Test**
- **Steel Quality Test**
- **Concrete Block Quality Test**
- **Cement Quality Test etc.,**

Based on the soil test report, our structural design consultant has done the foundation, column, beam and roof design.

All our structures are designed for earth quake proof, Zone III, as Chennai falls under the seismic classification of Zone III.

Soil Test Agency:

Dr. Venkataprasad Chintaluri, PhD (Soil Mechanics), IIT (Madras)
M/S Geo Marine Consultants (P) Ltd.,
Experience in the Field : 20

Architect:

M/S Deepak. B. Mehta, Mumbai
India's leading architect of many high-rise buildings

Structural Engineering Consultant:

Mr. Alex Jacob, M.tech (structural engg) IIT (Madras)
Experience in the Field : 40
